6 Swayne Street
North Mackay

Membership Application/Renewal Form

Membership is free, and renewed in March/April each year.

Pioneer Catchment & Landcare Group Inc. has three classes of membership:

- a) **Ordinary Members** – private individuals or families who are approved of by the Management Committee, each of whom will have one vote (complete appropriate section on Page 1);
- b) **Organisation Members** – who shall be stakeholder groups or associations, public and other incorporated bodies, local authorities etc., each of whom will have one representative with one vote (complete appropriate section top of Page 2); and
- c) **Associate Members** – government departments, agencies, and any persons who have the interests of the Association and the furtherance of its objects in mind but who shall not have voting rights (complete appropriate section bottom of Page 2).

The objects of Pioneer Catchment & Landcare Group Inc. are:

- To promote the planned and sustainable management of the catchments of the Pioneer River and the coastal streams from Alligator Creek in the North to Sandy Creek in the South in a constructive and balanced way by actions such as:
- a) Fostering coordination between landholder, community actions groups and government agencies in their land, water and vegetation management activities.
 - b) Promotion of community and government understanding of the interactions between land usage, waters, soils, vegetation and wildlife of the catchment.
 - c) Promotion of the value of a coordinated catchment wide approach for managing these resources.
 - d) Identification and prioritisation of interrelated land and water resource issues in the catchment.
 - e) Promotion of solutions and actions through public and government participation as part of catchment management strategies.
 - f) Provision of a forum for community and government discussions on catchment management issues for resolving conflicting demands on natural resources.
 - g) Encouraging and promoting sustainable agricultural practices.
 - h) Encouraging the conservation of native flora and fauna for the benefit of the countryside and the community.
